22. If a player is ejected, they must sit out the remainder of that game and remain in the bench area under adult supervision. The out of sight and sound principle does not apply to an ejected player. If a player wants to leave and there is an adult to accompany her, the spirit of the rule is satisfied. An ejected player is eligible to play in the team’s next game.

23. All bats must have the USSSA 1.20 Thumbprint. Violation occurs when player enters the batter’s box. There will be an exchange and check of each team’s lineup cards; discuss ground rules; and the head coach must verify that their players are “legally and properly equipped” (Rule 4-8-D-4). This is required in every USSSA sanctioned game. No game will begin without a correct lineup card. Each lineup card must have minimally the first initial and last name of each player, uniform number, and position.

   - Ranking Points - Descending
   - Date Team Entered USSSA Database
   - Once past a tie breaker do not return to previous
   - Head-to-head (if applicable) is used to break ties when only 2 teams are tied.
   - If a team volunteers to play an extra planned pool game due to an uneven number of teams win the division, the worst result will be dropped for that team and will not count toward their point total or run averages, although it does count for their opposing team.

35. Tie breakers.
   a. If pool game is tied after seven innings (6 innings 10U) and there is still time left, the international tiebreaker will go into effect. A base runner will start at second base with no outs.
